GLASGOW COLLEGE OF TECHNOLOGY

HEALTH VISITOR TRAINING COURSE 1972-73

Applications to train as Health Visitors are invited from Registered General Nurses who possess a qualification in midwifery, or who would be willing to attend a three-months approved Obstetric Course.

The Health Visitor Training Course, which is of one year's duration, will commence early in September, 1972.

Candidates may make application for selection as

1. A STUDENT SPONSORED BY GLASGOW CORPORATION HEALTH DEPARTMENT

During training an allowance of three quarters of the Health Visitor's minimum salary is paid, i.e. £1012.50, together with the Course and Examination fees of £66, and Students Association subscription, £10. Travelling expenses incurred during practical work will also be paid.

2. A STUDENT SPONSORED BY ANOTHER LOCAL AUTHORITY

Such students will receive financial assistance in accordance with the conditions of sponsorship of that local authority.

3. AN INDEPENDENT CANDIDATE

The candidate would be responsible for all expenses incurred during the course of training, including Course and Examination fees, and also travelling expenses.

Forms of application and full details may be had from:

The Principal Health Visitor Tutor, Health Visitor Training School, 112 Ingram Street, Glasgow, C.1.
